

FAQ's

1) *How do I become a Founding Member?*

We're glad you asked! Simply email info@circuitofthenorthwest.com to have a membership representative contact you.

2) *What are the Founding Membership benefits?*

150+ days of exclusive driving time at a world-class racing club. Unlimited access to Circuit of the Northwest luxury private clubhouse that will offer a wide array of amenities such as a founder's speakeasy bar, spa, sauna, Jacuzzis, exercise room, quiet spaces, meeting and activity rooms, observation lounge and private dining areas.

3) *What is the guest policy?*

Founding Members receive ten (10) guest passes per month.

4) *Immediate Family Members?*

Your immediate family (spouse and children up to 26-years old) is included in the Founding Membership. Extended family members can be added for a fee.

5) *Is the Founding Membership Transferable?*

Yes. Founding Memberships include a one-time Legacy Transfer (subject to 10% transfer fee).

6) *Is the Membership Joining Fee Redeemable?*

Yes, Founding Members may transfer their membership back to the Club after the Member is in good standing for 36 months and CNW has maintained 400 founding/charter memberships.

7) *Do Founding Members Receive Access to Karting Circuit or Motocross?*

Yes. CNW offers options for road racing, Kart and motocross.

8) *How do I get a garage?*

Founding Members receive priority opportunity to custom-build a garage.

9) *What is the construction timeline?*

We expect to break ground Fall 2019 and currently expect 18-24 months for construction and a 3rd Quarter 2021 Grand Opening.

10) Are there any "Pre-opening" Member events?

Yes. We will host periodic member events prior to the Grand Opening where you can meet fellow Members and check on the progress of construction.

11) Who owns CNW?

Circuit of the Northwest is a private LLC owned by Brian Nilsen. The 232-acre compound is owned by the Port of Bremerton and is leased to CNW for 50 years.

12) How do I purchase merchandise?

The Clubhouse will have a Member Store. Sign up for online store notifications "here".

13) Who designed the racing circuit?

World-Class designer Hermann Tilke (<https://tilke.de/en/>)

14) Is this the same project as the NASCAR track that was proposed years ago?

No, this project is a multi-use public/private facility operated at the Port of Bremerton. The NASCAR project was spearheaded by ISC (International Speedway Corp.) proposing a ¾ mile oval track on property nearby.

15) What public activities are proposed at the facility?

Concerts, festivals, fundraisers, 10k running races, bicycle racing, mountain bike riding, motorsports track rentals, karting, driving schools, teen driving education, STEM education, Sanctioned racing (3-5 times per year), and much more.

Additional information and details will be included in CNW Membership documents.
