

Kitsap Public Facilities District  
19980 10<sup>th</sup> Ave NE, Suite 204F  
Poulsbo, WA 93870

October 10, 2024

Dear Executive Director Russ Shippet,

ASM Global is excited to be partnering with Circuit of the Northwest to bring a premier racing facility and entertainment destination to Bremerton, WA.

ASM Global is the world's leading venue management company and producer of live event experiences. With over 400 venues worldwide, we operate and invest in the world's most important stadiums, arenas, convention centers, and theatres; this includes entertainment districts and mixed-use developments. We produce over 20,000 live events annually, welcoming 164 million guests each year. Our best-in-class management reliably delivers maximum value and profitability for our clients and partners.

Circuit of the Northwest presents a unique and exciting opportunity to bring a racing and entertainment destination to Kitsap County, one that we expect would bring significant economic impact to the immediate and surrounding area. We believe the project will act as an economic catalyst for the immediate area and surrounding region, including directly driving guests to area hotels, restaurants and other businesses.

ASM Global looks forward to working with Circuit of the Northwest to bring a premier racing and entertainment destination to Kitsap County. We are excited to see the growth of the project and the significant impact it will have on Kitsap County.

Sincerely,

*Liam Thornton*

Liam Thornton  
Executive Vice President, Strategy & Development
